

P. RECEIVES LARGE ENGINES

New Locomotives Arrive for Service Out of Ogden

The first four of fifteen late model locomotives recently purchased from Baldwin Locomotive works at Philadelphia have arrived in Ogden and are ready to be placed in service. The new engines will be used for passenger service between Ogden and Salt Lake and other points on the Southern Pacific lines in the Salt Lake division. They were purchased at a cost of \$100,000 each.

ELEVEN COMING.—The remaining locomotives are en route to Ogden from Philadelphia and will be placed in service by the next month.

The new engines each weigh 295,000 pounds and have cylinders 25 by 30 inches in diameter. Driving wheels are 40 inches in diameter. The total weight of the new locomotives is 73½ tons. Each engine is equipped with cast iron cylinders and pistons. The boiler has a diameter of 78 inches. Each engine has a capacity of 12,000 gallons and a capacity of 4000 gallons are featured in the new models.

The boxes of the engines cover 60 square feet with a combustion chamber of 68 square feet. The tubes are 207 square feet and the flues 207 square feet.

TRIP TOMORROW.—One of the engines thus far received, No. 2462, will depart on her first trip on train No. 5 at 1:30 a. m. tomorrow, according to local officials.

Bill Is Passed by Utah Senate

(Special Dispatch.)—SALT LAKE, March 9.—S. B. 136 calling for civil service regulations in the appointment of members of police and fire departments was passed by the Utah senate today and sent to the house. The senators voting against the measure were Hay, Jenkins, Jones, Quinney and Stanger.

MEXICAN RELIEVED WHEN FINE IMPOSED

After the impression that he had been arrested for "trying to steal a car," Jesus Pinetti, Mexican, released from the Ogden police station today. He had been charged with vagrancy and arrested upon complaint of a woman on the hill at the rear of the Ogden theatre. It was brought out that he had been loitering about the theatre grounds.

CITY BUILDS COMMUNITY PARK

The city's community park is rapidly approaching a point where the landscaping will be completed. The park, which will be replanted, according to W. P. Mack, county agricultural agent, will be the work of reparking the square and for the past ten days, fifty men and as many teams as could be engaged in leveling off the park.

The reparking of the square have been completed by Emil Hansen, landscape architect for the Utah Agricultural College, and Jack Brown, county engineer, who surveyed the tract, and issued instructions as to how it should be graded.

Plants and trees will be planted in the park in the near future.

Today, sure, to see the latest sea picture ever made. Last times today.

PREPARING FOR SCOUTS CAMP

Committee Arranging Details of Proposed Outing This Summer

Plans for the summer camp of the Boy Scouts of Ogden Council are being prepared by the camping committee consisting of William G. King, P. Kirkendall, Alfred E. Brewerton and Ernest Winkler and will be submitted for approval within the next four weeks according to Scout Executive G. A. Goates. Last year 85 scouts of the local council journeyed to Yellowstone National Park where they camped for two weeks.

Present plans call for the camp to be made at one of the following places during the coming summer: Yellowstone National Park, Bryce canyon, Little Zion's canyon, Bear Lake or Smith Moorhouse forest range. One of the above listed camping places will be selected according to Scout Executive Goates.

All phases of Boy Scout work will be featured at the 1927 summer camp which will be in session for at least three weeks.

Camp staffs and regular commissary regulations will be in force at the camp at which at least 600 of the 750 scouts of Ogden are expected to attend.

The recommendation of the camp committee will be considered in the very near future. Scout Executive Goates stated today and plans will be adopted and started within the next three weeks.

POLICE HOLD MAN WANTED IN IOWA

Leonard Higgs, 1965 Lincoln avenue, alleged to have committed a felony in Iowa, was arrested at 11:30 o'clock last night by Detectives Everett Noble and Ed Butterfield. A telegram from Iowa officials, seeking detention of Higgs was received in Ogden several days ago, the police say.

The exact nature of the charge against Higgs is not known. Iowa officials are expected to arrive here within the next few days to take the man into custody.

R. C. POLLOCK TO SPEAK HERE

Farm Bureau Federation Officer Will Explain Association Program

What the farmers of the United States hope to accomplish through the American farm bureau federation and the program of the federation will be explained by R. C. Pollock, assistant secretary of the federation, at a meeting to be held in the Federal building at Ogden tomorrow evening.

The Ogden meeting will be held under the auspices of the Weber county farm bureau. W. Preston Thomas, county agent, is making local arrangements.

Mr. Pollock is in Utah in the interests of the Utah State farm bureau, which is associated with the federation. His visit is made in connection with the farm bureau's membership drive in Utah.

State farm bureau officials will accompany Mr. Pollock to Ogden. On Friday Mr. Pollock will speak in Brigham City and on Saturday evening in Logan.

The Ogden meeting will commence at 8 o'clock p. m.

ALLEGED LIQUOR RING UNCOVERED

Sheriff Reports Arrest of Samuel Underwood and Eugene Farr

In the arrest yesterday by members of the sheriff's department of Samuel Underwood, 24, and Eugene Farr, 19, it is believed by the officers that a whisky ring which has been operating here for some time has been broken up.

The two men were arrested by Deputy O. H. Mohlman and Charles Pincock while they were in the alleged act of delivering liquor to a house on Twenty-second street. A full gallon

company Mr. Pollock to Ogden. On Friday Mr. Pollock will speak in Brigham City and on Saturday evening in Logan.

The Ogden meeting will commence at 8 o'clock p. m.

and a pint of "moonshine" whisky is being held as evidence.

Underwood and Farr are said to have been carrying the liquor between them in a large paper sack. Investigation of the men has led the officers to believe that they have been carrying on liquor traffic here for several weeks. Underwood gave his occupation as a salesman and Farr said he was a laborer. Both men are being held in the county jail.

GET STIFF FINES.—Farr and Underwood, appeared before City Judge L. J. Holther this morning. Farr entered a plea of guilty, while Underwood pleaded not guilty.

Farr said in court that he and Underwood were in the act of delivering a gallon and a pint of whiskey when the arrest took place.

Following admissions by Farr that he been buying liquor at \$15 per gallon and selling it at \$30 per gallon, Judge Holther imposed a sentence of \$250 fine or 180 days in jail.

Underwood asserted that he had no knowledge as to the contents of the jug and the pint flask.

"It might have been water for all I know," he said. He testified that he expected no remuneration from the transaction, but thought that he might have gotten a drink out of it.

Underwood was found guilty and was sentenced to \$150 fine or 60 days in jail. He asked permission to serve the sentence in the city jail.
